A child died by a parent today
Who seven times the courts took away
Lost in a system designed to protect them
Now the foster family's full of rage
For obeying laws that the system made
The laws that killed the child it could have saved

And they call it "Child Protection Laws"
I call it legal devouring claws
Sacrificing children in a losing war
That's being raped by this greedy legal whore

A home that once was filled with love
Abundance kisses and hugs
Has been replaced by one that's full of hate
Now the legal system's stepping in
A situation where no one wins
A spider's web with children caught therein

And they call it "Child Protection Laws"
I call it legal devouring claws
Sacrificing children in a losing war
That's being raped by this greedy legal whore

All a child wants is a loving home
With rules they understand and know
Held in the arms by those who love them too
Not a life controlled by laws
From people who don't know who they are
A legal system corrupted by me and you

And they call it "Child Protection Laws"
I call it legal devouring claws
Sacrificing children in a losing war
That's being raped by this greedy legal whore
